## INSTRUCTIONS FOR COMPLETION STRAIGHT BILL OF LADING/NON-HAZARDOUS WASTE MANIFEST

**SECTION 1: GENERATOR INFORMATION - Generator Name, Mailing Address, and Telephone No.:** Self-explanatory  
**Site Address:** Generator site address if different from mailing address; if same, write "SAME."

**SECTION 2: Destination/Disposal Facility Information -** Complete the company name and site address of final destination point. Include telephone number with area code.

**SECTION 3: TRANSPORTER INFORMATION - Transporter 1:** Complete Company Name and Telephone No: Self-explanatory. **License Plate No.:** Enter the license plate number of the waste hauling portion of the vehicle, including the state the vehicle is registered in.  
**Transporter 2:** Complete information for Transporter Two if a second transporter or a second vehicle is used to move the material. This section does not need to be completed if a second driver operates the same vehicle. **License Plate No.:** Enter the license plate number of the waste hauling portion of the vehicle including the state the vehicle was registered in.

**SECTION 4: MATERIAL/WASTE DESCRIPTION - Container Number:** Indicate the number of each type of container used, in whole numbers.  
**Container Type:** Indicate the container type abbreviation: DM - Metal drums, barrels; DT - Dump Trucks; DW - Wooden drums, barrels; CY - Cylinders; DF - Fiberboard or plastic drums; CM - Metal boxes, cases, roll-offs; TT - Cargo tank, tank trucks; CW - Wooden boxes; TP - Tanks, portable; CF - Fiber or plastic boxes, cartons; BP - Burlap, plastic, paper bags **HM:** Place an X in this section if the material is a DOT "Hazardous Material"; if it is not, leave this section blank.

**Material Description/Proper Shipping Name if DOT Hazardous Material:** If DOT Hazardous, enter the proper shipping name, obtained from Column 2 of the Hazardous Materials Table. If not DOT Hazardous, enter an accurate description of the material.

**Hazard Class:** The hazard class corresponds to the proper DOT shipping name; consult Column 3 of the Hazardous Materials Table. If the material is not DOT Hazardous, enter "Non-hazardous."

**ID Number:** This is the DOT Identification Number, corresponding to the proper DOT shipping name; it is either an UN or NA Number. Consult Column 4 of the Hazardous Materials Table, and always include either the UN or NA prefix, whichever is indicated in the Table. Enter the word "None" if the material is not DOT hazardous.

**Packing Group:** The Packing Group Number corresponds to the proper DOT shipping name. Consult Column 5 of the Hazardous Materials Table. Enter "N/A" if the material is DOT non-hazardous.

**Total Weight/Volume:** Enter the total weight or volume of the material and the units of measurement; pounds or tons for weight of a solid, gallons or liters may be volume of liquid.

**Weight/Volume Unit:** Enter the weight or volume per unit of material; include the units of measurement as indicated above. P - Pounds; G - Gallons; L - Liters; Y - Cubic Yards; T - Tons; K - Kilograms; M - Metric Tons; N - Cubic Meters

**SECTION 5 - Job Number:** Enter the internal Environmental Products & Services, Inc. job number assigned.

**SECTION 6 - Approval Number:** Enter the approval number assigned to the material by the disposal facility, if applicable.

**SECTION 7 - Purchase Order Number:** Enter the purchase order number assigned to this job, if applicable.

**SECTION 8 - Additional Information:** Use this space to note any additional information.

**SECTION 9 -** List placards required, if any

**SECTION 10: GENERATOR CERTIFICATION -** This section must be read, certified to be correct, signed, and dated by an authorized representative of the generator.

**SECTION 11: ACKNOWLEDGEMENT OF RECEIPT OF MATERIAL - Transporter 1:** Driver Signature, Shipment Date: Self-explanatory  
**Transporter 2:** To be completed if a second transporter was used.

**SECTION 12: - Disposal Facility Accepting Waste: Authorized Agent, Agent Signature, Date:** Self-explanatory

**SECTION 13: EMERGENCY TELEPHONE NUMBER -** When Environmental Products & Services, Inc. is the transporter, enter the telephone number for the Corporate Office (315) 471-0503 and the Branch Environmental Coordinator's name, otherwise, enter the telephone number and name of someone knowledgeable about the material being transported.

**SECTION 14: DISCREPANCY INDICATION SPACE -** The authorized agent of the disposal facility accepting the waste must note in this space any discrepancy between the material described on the Bill of Lading and the material actually received at the disposal facility. Any rejected materials should be listed and the destination of those materials identified.
